“ I worked at Avera Marshall in the dietary department and got to know Howard while I was there. He was an awesome help when I would be unloading the carts full of dishes, he didn't have to help but was ALWAYS willing to! He managed to make me laugh everyday I was there and always asked what I was doing for the weekend or if I had to work. He was a all around great guy and will be missed very much. My sympathy goes out to his family and close friends!
